Dear Scott,

CADA would like to most sincerely thank The Caledonian Society of Bermuda for their recent, generous donation of \$3,000.00 to become a Supporting Sponsor of the late-night transportation service, Let Us Drive.

Your kind donation will ensure that many people have a safe option for getting home during the early hours of Saturday mornings. Your support will most assuredly help to reduce the incidence of alcohol related collisions and deaths on Bermuda's roads.

Your support and partnership are deeply appreciated, CADA will continue to talk about and highlight your kind support at every opportunity.

We look forward to providing you with quarterly updates on this service and to additional partnership opportunities.

Yours most sincerely,

Anthony Santucci
